

Tufting PRESENTATION

KARSTEN INTERNATIONAL

Our Tufting Gun:

- ✓ **Beginner-friendly design**
One fixed length and cut pile only fewer settings, less complexity, ready to use right away.
- ✓ **Easy maintenance**
Smartly marked oil points for effortless maintenance. Easy to open when needed for thorough cleaning.
- ✓ **Safe & fully EU-compliant**
Protective casing prevents exposure to moving parts - extra safe to use and fully compliant with European regulations (unique in this market).
